Our Service

PANDA provides a full-package service for all kind of video productions. At this point, size doesn't matter.

We can either take care of the entire production process, or be part of a wider team and fill in the necessary gaps. It depends on your needs.

RESEARCH - Use our local knowledge and experience. We can provide you with a regional analysis for each project.

LOCATION SCOUTING - Spain is very diverse, it has it all. We will find for you the perfect filming locations and will arrange all necessary permits.

VIP AND TALENT NEEDS: We are focused on excellence. We can take care of every detail of our VIP guests: VIP vans, motorhomes, green rooms, premium hospitality, reservations at Michelin Star restaurants...you name it!

COVID AND BIOSECURITY: We comply with the highest covid security standards. Cleaning & disinfection of all spaces, ozone air cleaners, private cleaning teams. Our team of certified public health professionals are at your disposal to provide PCR testing in your hotel room.

SCHEDULING - In close collaboration with you, we plan the full production cycle, establishing a clear timeline.

CREW & EQUIPMENT - We will put at your disposal a highly qualified crew and State-of-the-art technical equipment to respond to any challenge we could face.

STREAMING SERVICES: We work with the best streaming services to provide full connectivity and control of the shooting.

TRANSPORT & ACCOMMODATION - Let us help you make your stay as enjoyable as possible by arranging all the logistics of your team trip and accommodation.

BUDGET - We manage budgets in the best interest of each project, with a completely transparent breakdown. **Our overhead is 10%.**

Why Spain

Spain is not only a more affordable location than other places, it is also a powerhouse for the creative industries, in particular, film production.

Lately, it has been transferring its media power from TV /theatre to emerging audiovisual platforms. Today it still remains the **leader in the production (and export) of audiovisual content in Europe.**

Spain's **world-class tourism infrastructure** and top services, coupled with its natural beauty and scenic variety makes it an optimum place for shooting locations. It is full of contrasts, an explosion of colors and flavors. From ancient cultures to the hustle and bustle of contemporary metropolis.

Almost **any eco-system you might need** exists in Spain.

SAFE AND COMFORTABLE COUNTRY – Spain offers excellent health and security services. The best public health care system in Europe.

QUALITY LIFESTYLE - In Spain, you can relax and enjoy nature and sports. At the same time, Spanish gastronomy is exceptional. Spain ranks fifth country in the world with Michelin Stars restaurants. Or simply enjoy the nightlife and the great offer of leisure activities and parties the country offers.

TOP NETWORK OF INFRASTRUCTURES AND TRANSPORT – Spain offers the widest high-speed rail network in Europe, 48 airports, and more than 180,000 miles of roads and motorways.

MOST MODERN FILM STUDIOS IN EUROPE - Soundstages equipped with the latest technology and modern facilities that permit shooting both indoors and outdoors.

LOCATIONS - Beaches, pine forests, deserts, volcanoes, mountains, canyons, modern cities, rural villages, historical buildings, archeological sites...

BUDGET FRIENDLY – Film production in Spain could prove to be beneficial to your overall budget without reducing quality standards.

PERFECT CLIMATE - More than 300 long sunny days a year and warm temperature both in winter and summer.

ECO-SYSTEMS / NATURAL BEAUTY

Spain is one of the only countries in the world with arid deserts, dry bushes, temperate forests, high alpine areas, large mountain ranges, volcanoes, huge farmlands, and so on.

The multitude of ecosystems in Spain supports a wide range of biodiversity.

In addition, its more than 7,900 km of coastline offers some of the most beautiful beaches in the world, from the north of the península where you can find ideal surfing waves to pristine beaches in the Balearic Islands, or black sand-volcanic-out-of-this-planet beaches in the Canary Islands. There is always something to satisfy every taste.

CONTEMPORARY CITIES, TRENDY ARCHITECTURE. RURAL VILLAGES AND MEDIEVAL SITES

Madrid and Barcelona, the largest Iberian metropolis, are crucibles of different architectural styles. From the trendiest architecture and top-notch business centers to medieval-styled neighborhoods, urban markets, theaters, motorways and urban parks. Furthermore, Bilbao, Seville, or Salamanca have lot of interesting locations to offer.

Outside of its urban areas, Spain is full of small rural villages, that can take you back in time for decades or centuries.

Spain is known for its cultural diversity and its Arab past left us with stunning Islamic architecture.

SCOUTING AND PRIVATE LOCATIONS

We work with the best location-hire companies and the most renowned scouting managers. In addition, we offer an extensive directory of our own locations.

Just tell us what type of location you need and we will put at your disposal exactly what you are looking for.

Here we leave you some of the special locations that we have in our own directory. This just represents a small sample.

05

Tech crew

Spain has a highly skilled and creative workforce. Our professionals work both in English and Spanish.

Thanks to Spain's long-standing filming tradition, the industry is very vibrant and active. You will find very talented technical staff, from assistant directors, photographers, camera operators, decorators, sound specialists, etc.

06 Streaming

Covid19 has taught us that you can shoot whatever you want without being physically present.

We work with the most powerful and solid streaming connection services.

We can manage different stream signals: One for the director with all-camera monitoring including a set-camera service to be in touch with the unit director. And another one for management and talent crew...

ABOUT COVID-19

TPBS COVID-Safe policy is **MAXIMUM RISK REDUCTION** at all times.

High safety and health protection measures will be taken at shooting locations. Hygienic and safety at set will be our main priority in order to keep crew and collaborators safe and healthy.

We have designed an specified covid-safe protocols that involve every department and shooting attendees.

Some of these measures include:

- Minimum required crew at set. Access to shooting to visits or non essential crew will be forbidden.
- We'll check body temperature to everybody at the start of shooting and also when entering or getting out of the shooting área.
- Production staff will provide everyone a FFP2/N95 Protection mask and Hydroalcoholic gel. Masks will be replaced every 6hrs.
- Talent guests who will need to be without protection mask will be tested 24h before the shooting.
